

Music wave?

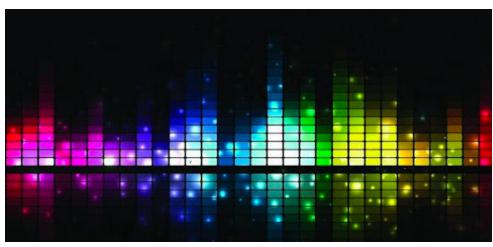

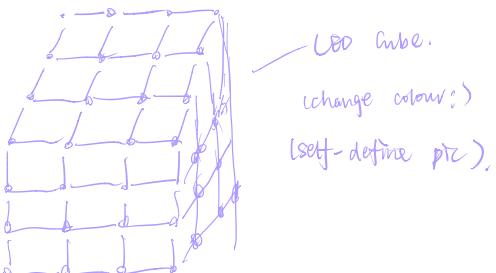

↳ Bluetooth audio board. (FFT).

LED Light

LED dot matrix screen

(can change to different figure).

(Sketch of Dark Tenten Akali).

↳ 3D model

↳ after rendering.

* need 3D printer. → lights up → if 2 can make it like a robot than it could move with instructions!

connected with News Website
(NAVER mainly)

LED lights to notify the
breaking news.

(my profile photo lol)

II: gemini. (LED light).
